

## Are your cabinets strong enough to support a granite countertop?

Our plywood core construction for all of our cabinets ensures the strength required to support granite, concrete, or any other countertop material that you may select. No additional cabinet reinforcement is required.

## Do your cabinets have soft-close doors and drawers?

Soft-close doors and drawers are standard on all of our current cabinet collections (excludes select discontinued styles).

## Is a finished panel required for exposed cabinet ends?

### Framed Capital Collection

- No, all of our framed cabinets come with finished exteriors.

### altaeuro Full Access Frameless

- Yes, altaeuro features a standard grey linen thermofused melamine exterior, so panels will be needed to finish the exposed ends.

## How much weight can the cabinet drawers hold?

### Framed Capital Collection

- Our framed cabinet drawer boxes have a weight capacity of 70 lbs.

### altaeuro Full Access Frameless

- Our altamax drawer boxes have the following weight capacities:
  - K-height (5") 88 lbs
  - C-height (6-¾") 132 lbs.

## Do you sell paint color or stains that match the finishes of the cabinetry you offer?

We do not carry the paint color or stains to sell direct but we have partnered with Sherwin Williams for easy access to purchase our finishes. Simply visit a Sherwin Williams in your area, let them know you are interested in a custom paint color or stain from their National Accounts database under the name 'BGI'. Once the store associate has accessed the account successfully, provide them with the paint color/stain you are looking for: **Casselberry Antique White:** BGI-CW, **Casselberry Saddle:** BGI-CS, **Torrance White:** BGI-TW, **Torrance Dove:** BGI-TD, **York Antique White:** BGI-YW, **Shaker White:** BGI-SW, **Shaker Antique White:** BGI-SA, **Shaker Dove:** BGI-SD, **Shaker Grey:** BGI-SG, **Shaker Cinder:** BGI-SC, **Verona Pure Blanc:** BGI-VPB, **Verona Storm Grey:** BGI-VSG, **Verona Midnight Blue:** BGI-VMB

Retail locations can accomplish matching any paint color for your projects however, paint color/stains are only recommended for smaller items such as trims & mouldings. For an accurate match for larger items, you will need to contact a Sherwin Williams Professional Coatings Group.
